PRESS RELEASE

March 13, 2020

Chief Judge Kimberly G. Koester and Christian County Resident Circuit Judge Brad Paisley have announced that the Fourth Judicial Circuit in Christian County is open and will continue to monitor state and local responses to the coronavirus and will follow guidance provided by state and local public health agencies and the Centers for Disease Control and Prevention. Out of an abundance of caution, the Chief Judge is directing that the following steps be taken to reduce temporarily the number of persons entering the courthouse during this period.

Employees and Facility:

All employees have been encouraged to wash their hands often with soap and water for at least 20 seconds; avoid touching their eyes, nose and mouth with unwashed hands; stay home when sick; avoid close contact with people who are sick; and clean and disinfect frequently touched surfaces and objects.

Facility crews are conducting regular cleanings with an emphasis on first-touch areas such as doors knobs and areas inside elevators and restrooms.

Court security officers will be screening people entering the courthouse for obvious signs of infection. If detected, entry will not be allowed. If you have a court appearance and are not allowed to enter the building, leave your name with the courthouse security staff and your case will be continued and you will receive notice of your new court date from the Circuit Clerk by mail.

Jury Service:

There is a plan in place to reduce the number of trials and number of jurors necessary for service. If you are summoned for jury duty and are experiencing any symptoms of any kind, including flu-like symptoms, have a fever or are coughing or sneezing, contact the Christian County Circuit Clerk's office on weekdays between 8:00 a.m. and 4:00 p.m. Your jury duty service will be deferred to a later date.

Expansion of Remote Court Appearances:

Attorneys or litigants that are unable to be present in courtrooms hearing civil and family matters (except Orders of Protections) may be able to appear remotely through use of conference calls

with the court. To schedule said conferences, call the Circuit Clerk's Office in Christian County at (217) 824-4966.

Starting March 16, 2020, criminal cases with individuals that are in custody of the Christian County Sheriff will be handled through video conferencing and they will not be brought into the open courtroom unless required by law. Said procedure will be conducted per Administrative Order.

Christian County Problem Solving Court will be cancelled for a period of 14 days except to those individuals as directed by the Problem-Solving Court Team. Staffing of Problem-Solving Court will be conducted by teleconferencing where available.

Christian County will continue to perform marriages in the courthouse during this time. However, we will allow only the couple being married to attend. Please do not bring additional people with you to the courthouse to attend your wedding.

Adult and Juvenile Probation, Juvenile Detention:

The Christian County Probation Department will remain open. A plan has been implemented to limit in-person contacts and suspension of certain large group meetings.

Certain treatment related group meetings may be cancelled without ramifications or may be relocated to larger areas to accommodate social distancing.

Probationers who are feeling sick or have had contact with someone who has the coronavirus should contact their probation officer. Probation clients should also contact their probation officer if they have any questions about their next appointment.

State's Attorney Office and Public Defender Office:

These offices will remain open but will be subject to the determination of the State's Attorney and the Public Defender regarding face-to-face appointments. Please call these offices if you wish to schedule appointments.

These are precautionary measures only. The health and welfare of all employees and courthouse users is our priority. As more information becomes available or if there are changes to court operations, we will advise.
