The Thirteenth Judicial Circuit Courts will take all reasonable measures to minimize personal contact to prevent the spread of the COVID-19 coronavirus. While keeping the courts available, all proceedings must be consistent with public safety as well as any further policy directives from federal, state and local public health advisories.

Beginning Wednesday, March 18, 2020 through Thursday, April 30, 2020 unless otherwise ordered by the Court, the following cases and court proceedings are postponed:

The following individuals **should not** enter the courthouse and their appearance in court will be waived if they:

- Have been out of the country within the last 21 days, or
- Reside or have close contact with anyone who has been out of the country within the last 21 days; or
- Have been directed to quarantine, isolate or self-monitor at home for coronavirus by any medical provider; or
- Have been diagnosed with, or have had close contact with anyone diagnosed with, COVID-19; or
- Have flu-like symptoms including, fever, cough, sneezing, or shortness of breath

Prospective Petit Jurors: A trial by jury is a constitutional right and as such, a court cannot function without jurors. Therefore, the 13th Judicial Circuit (LaSalle, Bureau and Grundy Counties) will continue to summons jurors. The Court is implementing a plan to reduce the number of jurors summoned in order to reduce congestion. If you have been summoned for jury duty and are ill, please contact the number on the jury summons to discuss your situation. Attempts will be made to accommodate your situation.

The Department of Probation and Court Services has implemented a plan to meet the needs of their clients, while reducing the number of in person meetings.

At the LaSalle County Juvenile Detention Center, a plan to limit in-person contacts has been implemented.

A notice shall be posted at each Courthouse entrance notifying the public that only essential cases will be heard March 18, 2020 through April 30, 2020 unless otherwise ordered by the court.

This unprecedented situation presents unique challenges to the 13th Judicial Circuit's normal operating procedures. Court leadership will continue to work with state and local officials to monitor the situation and make changes as necessary and communicate those changes to members of the public, other branches of government, and judicial partners. We ask for your understanding, cooperation and patience as we work to minimize the risk to those utilizing the services of the Court, while continuing to perform the Court's essential and mandated functions.

Court Facilities: Cleaning and disinfecting efforts have been intensified, especially regarding commonly touched surfaces.

Employees and Staff: All court staff have been reminded to use good personal health habits as recommended by the CDC, and we ask all visitors to do the same. This includes cleaning hands often, avoid touching eyes, nose and mouth, avoiding close contact, and covering coughs and sneezes with tissues or elbows.
