

B700.07V Question for Verdict Form (Excuse of Performance--Prior Material Breach)

Did [party's name] prove that [opposing party's name] committed a prior material breach of contract?

YES __ NO __

If your answer to question ____ is NO, then your deliberations are complete. You should disregard the remaining numbered questions, and go to Verdict Form B at the end of this verdict and sign it. If your answer to question is YES, you should then answer question ____.

Verdict and Notes approved October 2007.

Notes on Use

It is expected that each question will have its own number and they will be arranged logically and numbered in sequence. Each issue to be decided by the jury will have a question (found in those instructions with a "V" in the number) which must be included in the single verdict form to be constructed by Court and counsel. The logical sequence of these instructions should result in a complete general verdict. The set of instructions must end with IPI 700.18V.
