

14.12C
Definition Of Lock Bumping

The term “lock bumping” means a lock picking technique for opening a pin tumbler lock using a specially-crafted bumpkey.

Committee Note

Instruction and Committee Note Approved January 24, 2014.

720 ILCS 5/19-2.5 (West 2013), added by P.A. 96-1307, § 5, effective January 1, 2011.

Give this instruction when the defendant is charged with unlawful sale of burglary tools under Section 19-2.5(b) and it is alleged he sold or transferred a key designed for lock bumping.
