HOMICIDE**

INTRODUCTION

Beginning July 1, 1987, Illinois replaced its “murder/voluntary manslaughter” statutes with “first degree murder/second degree murder” statutes. P.A. 84-1450; People v. Shumpert, 126 Ill.2d 344, 533 N.E.2d 1106, 128 Ill.Dec. 18 (1989). Consequently, this Fourth Edition has deleted those instructions applicable to the former “murder/voluntary manslaughter” scheme and has re-numbered the instructions in this Chapter.

Should the need arise, judges and lawyers should consult the Third Edition for complete instructions for “murder/voluntary manslaughter”.
